

Joining Zoom Meetings from Canvas

1. Students can join Zoom meetings scheduled from a Canvas course by clicking on the “Zoom” link in your course navigation. A join link will appear next to all scheduled meetings.

Start Time	Topic	Meeting ID	
Today 1:00 PM	My Meeting	206-126-249	Join

2. Zoom meetings that are scheduled within Canvas will be added automatically to your course’s Canvas calendar. This is available for instructors and students. A link to join a scheduled meeting is included within the Canvas calendar event.

3. Students also receive Canvas messages once a Zoom meeting is scheduled from within a Canvas course. These messages include the date and time of the meeting, as well as a link to join the meeting.
