

**Assessment Annual Report**  
**(Due October 1 from the previous academic year)**

1. Department Name
2. List your major degree programs (including concentrations).
3. What specific degree programs and program learning outcomes did you assess in the last academic year?
4. Describe the methods you used.
5. What were your results?
6. How were the results disseminated?
7. How were the results interpreted by the department?
8. What impact will the results have on curriculum and other programmatic activities?
