

**Guaranteed Transfer Admission Agreement Between
Milwaukee Area Technical College
and
Columbia College Chicago**

This Memorandum of Understanding (“MOU”) dated as of February 1, 2020, (“Effective Date”) is by and between Milwaukee Area Technical College (“MATC”) and Columbia College Chicago (“Columbia”), an Illinois not-for-profit college.

RECITALS

Through this Memorandum of Understanding, MATC and Columbia agree to a cooperative relationship to better serve students and to facilitate the transfer process from MATC to Columbia through a Guaranteed Transfer Admission Program (“the Program”).

The Program offers guaranteed admission to Bachelor of Arts degree programs at Columbia to all MATC students who have completed Columbia’s Guaranteed Admission Participation Form¹ (“Program Participants”) and satisfied the Program requirements established herein.

Now, therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, MATC and Columbia agree as follows:

1. Academic Requirements for Program Participants:

- a. Program Participants must complete both ENG 201 and ENG 202 with final grades of “C” or higher to meet the English proficiency requirements at Columbia. Program Participants shall not be required to submit separate proof of English proficiency at the time of application as a transfer student to Columbia. Program Participants must demonstrate math proficiency at the college-level through completing MATH 107 College Mathematics (or another approved college-level mathematics course) and earning a final grade of “C” or higher.
- b. Program Participants must have graduated from high school (as evidenced by a high school diploma or GED), and have completed a minimum of twenty-four (24) transferrable credit hours at MATC with a cumulative grade point average of 2.5 on a 4.0 scale on all transferrable coursework taken at MATC. At the time of application to Columbia, the Program Participant must be degree-seeking at MATC and in good standing at MATC.
- c. Courses numbered lower than 100-level and other courses deemed non-transferrable by Columbia are not included in the Program. Columbia shall apply no more than seventy-five (75) transfer credit hours towards completion of a Bachelor of Arts Degree at Columbia.

¹ Transfer Inquiry Form is available at <https://apply.colum.edu/register/GAinquiry>.

Program participants and advising staff should refer to Transferology² for the most recent MATC course transferability information. Only coursework for which a Program Participant earns a “C” or higher is transferrable.

- d. Each institution shall encourage Program Participants to track their progress towards completion of the Program requirements by working with their transfer advisors at both MATC and Columbia. Program Participants shall authorize MATC and Columbia to share their education records, as defined by the Family Educational Rights and Privacy Act of 1974, and its implementing regulations (“FERPA”). Program Participants will complete an online participation form which will allow the sharing of education records between Columbia and MATC. Columbia shall provide reasonable advising services to Program Participants seeking to discuss Columbia’s academic program requirements and transfer credit policies. Columbia may elect to communicate directly with Program Participants to inform them of presentations, workshops, activities, visits, and other events and resources relevant to Program Participants.

2. Admission Requirements for Program Participants:

- a. Program Participants must apply to Columbia through its transfer enrollment process and meet all applicable requirements and deadlines, including but not limited to the payment of tuition and fees, completion of a background check (if required), and receipt of certain vaccinations. Unless explicitly stated herein, all Program Participants who enroll at Columbia are subject to the same general rules and requirements applicable to all other Columbia students, including, but not limited to, those governing course enrollment, financial aid, academic sanction, suspension, and expulsion.
- b. Program Participants who satisfy the Program requirements are eligible to enroll in any available Bachelor of Arts program listed in Appendix A, which is attached hereto and incorporated by reference as if fully set forth herein. All other Columbia degree programs, including, but not limited to, its Bachelor of Music, Bachelor of Science, and Bachelor of Fine Arts programs, are selective entry programs and require additional materials and review. Applicants transferring from MATC through the Program are not precluded from pursuing these selective-entry programs. However, admission is not guaranteed.
- c. Notwithstanding anything to the contrary, Columbia reserves the right to deny admission or the benefits of the MOU to individuals who: (1) have been suspended, dismissed, or expelled for academic or non-academic reasons from any academic institution; (2) have been convicted of any criminal offense; or (3) present other factors in their personal or academic background that Columbia deems inappropriate, inconsistent with Columbia standards, or otherwise harmful as determined by Columbia’s Admissions Committee or Columbia’s Office of the Dean of Students.
- d. Failure to meet the academic and admission requirements for the Program does not preclude Program Participants from applying and being considered for admission to Columbia under the same conditions as traditional transfer applicants.

3. Eligibility for a Program Transfer Scholarship:

- a. As indicated in the chart below, Program Participants shall receive an admissions scholarship for their first year of enrollment at Columbia based on their cumulative grade point average on all transferrable course work taken at MATC, in addition to completion of the associate degree at MATC prior to enrolling at Columbia. This annual scholarship is renewable each year up to one hundred and twenty (120) attempted credits hours or four (4) years, whichever is reached first, upon the terms and conditions provided online³, to the extent applicable. Applicants shall be considered for additional merit-based scholarships for which they qualify and apply (when required). Completion of the Free Application for Federal Student Aid ("FAFSA") is required for consideration for many need-based awards.

Grade Point Average	No Associate Degree earned	Associate Degree earned
4.00 - 3.75	\$6,000	\$8,000
3.74 - 3.51	\$5,500	\$7,500
3.50 - 3.26	\$5,000	\$7,000
3.25 - 3.00	\$4,500	\$6,500
2.99 - 2.75	\$4,000	\$6,000

4. Reverse Transfer:

Columbia shall endeavor in good faith to facilitate the transfer of credit back to Milwaukee Area Technical College ("Reverse Transfer") for Program Participants who do not earn their associate degree at MATC prior to transfer to Columbia. Reverse Transfer enables MATC to include acceptable Columbia coursework in their review of degree completion.

5. Term:

- a. This MOU will remain in effect until terminated as provided below. The Program will be subject to annual review to adjust scholarship requirements and amounts, participating degree programs and requirements, and any other terms of the MOU the parties deem appropriate. Any changes to the Program must be agreed-upon in writing at least sixty (60) days prior to the first day of instruction (at both institutions) of the academic year in which the change will be implemented.
- b. Either party may terminate this MOU for any reason or no reason upon sixty (60) days' written notice to the other party.
- c. In the event of termination, the Program Participants at the time of termination will be guaranteed transfer into Columbia provided they satisfy all Program requirements and apply for admission as a transfer student to Columbia no later than two (2) years after the date of termination.
